OAK

Bergen is a strikingly contemporary, modular-based collection of dining, living room & home office furniture that offers flexibility and practicality in tune with today's lifestyles. Made using selected high grade American oak solids & veneers, this range is hugely versatile, offering three sizes of tables, ultramodern low back slat and upholstered chairs as well as a more standard high back slat chair, in fabric or faux leather options. The design features curved tapering legs that meet the patterned tops in a three way mitre joint, boasting a real technical prowess by way of precise CNC machining, neat finishes and general technical excellence to create a complex simplicity!
