BRUNEL OAK & GUNMETAL

This award winning dining range combines selected American oak solids & veneers, where a chalk finish has been applied into the grain patterns, together with a gunmetal painted finish on European solid beech to create a uniquely contemporary look.

The striking 45-degree oak veneer patterns on the cabinet facias and table tops sit proud against the contrasting gunmetal finished base supports and inner frames. The natural lines of the elliptical and circular tables work with the geometrical and linear shapes of the rest of the range to create a compelling and slightly eclectic look and the option of swivelling upholstered chairs adds some fun to function for a more engrossing dining experience! All cabinet pieces are fitted with Blum soft close runners for a superior customer experience.
