RUSTIC OAK

Boasting a fresh new look and dynamic perspective, the Cadell dining range creates a contemporary aesthetic through well-considered design. Organic lines are at the heart of this crafted work: split panel tops with wavy edges featured on finely tapered legs are crafted using rustic American oak solids and veneers. This detailing also seamlessly follows through in the cut silhouette of the cabinets. Upholstered chair options in either vintage tan or espresso faux leather marry beautifully with the rich oiled finish of the natural oak grain. Cadell offers a cutting edge look to transform any modern home.
