## HAMPSTEAD SOFT GREY & OAK

Traditional in style with a contemporary feel, this two tone bedroom range subtly combines a warm, soft grey paint finish with the soft, natural tones of American oak veneered tops. The bed, central piece of this collection, comes in a choice of slatted or upholstered headend. Design details include beautiful corniced oak tops, classically styled bracket feet and striking satin chrome finished cup handles. Hampstead offers generous and practical storage solutions through its choice of cabinet options and range of drawer sizes designed to accommodate an array of garments. This paired-down classic collection creates a truly stunning look that is guaranteed to give a lasting appeal.
