HAMPSTEAD TWO TONE

Hampstead Two Tone is a timeless range that will imbue elegance to every home. The stunning corniced tops, enhanced by the natural beauty of oiled American oak solids and veneers, contrast beautifully with a crisp, fresh, ivory paint finish. This range boasts design details such as classically understated bracket feet and superior quality brushed steel handles. A choice of stylish cross-back or fully upholstered buttoned roll-back chairs perfectly complement the elegant tapering turned legs of the generous extending dining tables. The cabinetry offers practical features including Blum soft-closing drawers, hard-wearing lacquer finish and a twenty-five-bottle wine rack with pull-out shelf.
