MONTREUX
SOFT GREY

With a contemporary twist to a traditional design, Montreux soft grey bedroom is a beautifully crafted painted range with bold, contrasting bespoke silver handles. The delicate soft grey finish spreads across the cabinet set. Design features such as gently bowed fronts, classical corniced tops and turned legs demonstrate attention to detail, whereas practical Blum soft-closing drawer runners, high quality hardware and a durable protective finish all attest to the quality of this elegant range. Centre piece of this collection is the king size upholstered bedstead with subtle vertical stitch pattern and refined curved frames, granting Montreux bedroom as an updated classic suited to both modern and traditional settings.
