OAKHAM
DARK GREY & SCANDI OAK

Juxtaposing a fresh Scandinavian light oak finish on clean solid oak framed tops and veneer insets with a fashionable dark grey pigment on the carcasses, the Oakham dining range is sophisticated, strong and elegant. The range incorporates two sizes of extension tables that feature a unique “pop-up” extension mechanism allowing you to extend the tables with simplicity and ease. All cabinet pieces are fitted with BLUM soft close runners for a superior customer experience.

With the option of stylish modern slatted chairs or classically inspired solid beech spindle chairs in both Scandinavian light oak and dark grey finishes, together with a choice of sleek satin nickel metal handles and contrasting wooden ones allows you to create a more formal or casual style to suite your look.

Oakham is a timeless collection that will fit seamlessly into both modern and traditional settings.
