OSLO
OAK

Taking inspiration from sophisticated mid-century styling through hints of both retro and Scandinavian design, Oslo is a fashionable range that features an eclectic blend of shapes and forms.

Crafted from a combination of oak veneers and sculpted solid oak legs, the Oslo range is characterised by its striking beauty. Attention to detail such as feature handles and engineered mitre joints all contribute to the quality of this range. The option of a stylish veneered back chair with upholstered stone coloured seat pad or distinctive fully upholstered chairs in a choice of six attractively coloured fabrics complete the look of this vibrant range.
