BELGRAVE

BELGRAVE
OAK

Belgrave is a classically styled design with beautifully hand-crafted marquetry tops using knotty oak solid timbers and veneers. Each piece of furniture reflects the intensified natural characteristics of rustic oak wood such as knots, mineral streaks pinholes, sapwood, saw marks and wood colour variation. These natural variations in colour, grain and random positioning of knots are inherent characteristics and add to the attraction of the wood, resulting in an individuality that is unmatched by regular furniture. The range is completed with bold bespoke handles in a rich antique brass finish and generous upholstered chairs in a choice of antique faux leathers and plush velvets. BLUM soft closing drawers add that extra refinement to what is a timeless classic.
