PROVENCE  
TWO TONE

With hints of French farmhouse detail, this understated collection has tongue and groove effect tops, traditional cornices and hardwearing antiqued-brass finish handles. The naturally beautiful knotty American Oak solids and veneers are complemented by fresh cream painted cabinets, while clean lines and a low sheen finish update its rustic charm making it ideal for town and country. Central to the collection is a choice of two sturdy draw leaf extension tables which can comfortably accommodate two to four seats or four to six seats. Soft closing drawers and hardwearing lacquer finish are just a few of the practical features. Provence is a timeless collection that will fit seamlessly in both modern and traditional settings.
